

### **Christine Schieszler, MSW**

Christine Schieszler is a ChildTrauma Academy Fancourt Memorial Scholar. She received her Master of Social Work degree from the University of Houston in Texas. While there, she became a Child Trauma Program Fellow where she participated in Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) training and specialized consultation calls with Dr. Laura Murray from Johns Hopkins University. During her internship and fellowship at the Children's Assessment Center (CAC) in Houston, under the supervision of Susan A. Szczygielski, LCSW-S, CART, Christine implemented TF-CBT and utilized Child-Centered Play Therapy to serve survivors of child sexual abuse and their families.

Ms. Schieszler is continuing her education in the Clinical Psychology Doctoral Program at Roosevelt University in Chicago in the Fall of 2015. There she will be participating in the child neuropsychology track offered by Roosevelt University.

Christine's goal is to become a licensed neuropsychologist, with aspirations of conducting assessments and providing treatment to children and adolescents whom have endured sexual and physical abuse and neglect.
