

**Jeffrey Rowe, M.D.**

Dr. Rowe is a Child and Adolescent Psychiatrist in private practice and an Associate Clinical Professor in Psychiatry at the UCSD School of Medicine. He also is the Chair of several committees on Early Childhood Mental Health and co-directs the Conference Series on Early Childhood Mental Health called "We Can't Wait".

Dr. Rowe is a clinician, teacher, and consultant. He treats children and youth with all types of mental health difficulties, attends I.E.P. meetings, teaches residents and medical students, and gives lectures to parents groups about a variety of topics. He is well versed in medication therapies, individual psychotherapy, family psychotherapy, behavior modification, group therapy, and school consultation. For many years he assisted the County of San Diego Behavioral Health Services in the development of new mental health treatment programs, supervised the County's Child Psychiatrists, and provided clinical consultation to the Juvenile Court.
